FACIAL TREATMENTS

1 HR

- Hydra Facial**\$225
Hydrafacial® is a non-surgical and non-invasive microdermabrasion face treatment that uses an instrument with a minimally abrasive tip to gently exfoliate the skin and remove the thicker outer layer.
- Age defense facial** \$170
Stimulate collagen and elastin production to instantly firm and tighten skin.
- Men's facial**\$170
Minimize ingrown hairs and fine lines while returning moisture to the skin.
- Probiotics acneic facial** \$170
A unique combination of enzymes, sulfur, probiotics and high frequency treatment cleanses skin and kills acne-causing bacteria.
- Next generation microdermabrasion**..... \$200
Our medical microdermabrasion is more effective than traditional microdermabrasion treatments because it utilizes surgical brush tip technology instead of traditional crystal or diamond tip microdermabrasion. The treatments are safer and more effective. Next generation microdermabrasion safely and effectively treats the following: acne, anti-aging (treats fine lines and wrinkles), sun damage and melasma, anti-oxidant delivery. Our medical microdermabrasion goes beyond normal microdermabrasion and both exfoliates the skin and delivers vital nutrients.
- Dermaplaning**.....\$225
Dermaplaning removes the outer most layers of dead skin cells leaving the skin immediately smooth, supple and vibrant. Dermaplaning (blading) is another non-traumatic method of skin rejuvenation as well as facial hair removal.
- Oxygen facial**\$195
This unique facial which features "osmotic hydration" and uses 87 different combinations of vitamins, minerals, enzymes, amino acids and oxygen to give you brighter, healthier skin.
